October News from

Lima, Peru

Praise Report:

- Our Bible College semester has been blessed by the Lord. We experience amazing spiritual dynamics: students and teachers are edified and well nourished.
- P Jon Stambo is pastoring our new affiliated church at Puente Piedra: there are services, raps, outreaches and Bible College.

Prayer Requests:

- For the Brazil-Argentina-Chile missions trip: blessings for the local churches, covering for our team, and covering for the Lima church while our pastor is away.
- For our mini conference with P Drew in mid-October.
- For the leadership conference on the first week of November.
