P. Stan, P. Jon. Jongil and David recently returned from a trip to build up the Churches in Rio de Janeiro (Brazil), Buenos Aires and Rosario (Argentina), Rancagua and Santiago (Chile).

Rio de Janeiro - Pastor Cliff Vincent. He's the man of God who lives on "the Hill of the Goats" above the beaches of Rio and right under the tallest of the granite monoliths. Pastor Cliff has already knocked on each door (there are hundreds and hundreds of them) on "his hill" twice, and knows many of the families. He and his wife, Marcia, are pioneering the GGWO Church in Rio de Janeiro.

For the sixth straight October, Pastor Lemos and the GGWO Church of Grand Bourg, Argentina invited them for their National Missions Conference

From Buenos Aires, they traveled up to Rosario, for a couple nights of Bible Studies and beef with Daniel Gomez, the man who is pastoring our people there.

I am happy to be part of a ministry that...Loves the Lord, Loves the Word and Loves the lost

Back in Peru!!!

Hello my dear friends and family,

It's been almost two months now since I returned to Peru. God has allowed me to spend almost 2 months in UK, one month in Romania and 2 days in France. The time in UK was so precious and it taught me a lot of things and just being there it was so eye opening to what is happening in the world. To see the desperate need and cry from the heart of those precious people who think they have it all and yet they are miserable, makes you weep and fall on your knees for them. I was so blessed to see P. Morley, P. Larry, Bev, Joyce, Cristina, Leo, Huey and other people reaching out to the lost to win them for Christ, to pluck them out from the eternal fire. Also every Sunday night I loved going to the Romanian church in N London. Pastor Jon Boyce and Pastor Raul Pescaru are heading the ministry and I was tremendously blessed by just being there, receiving the word, the fellowship and the love of the brothers and sisters.

God also allowed me to see and spend time with every member of my family.

The church in Brasov filled my eyes with tears of joy, such amazing people and such hunger for the Lord!!! We had a one week conference in a beautiful place close to Brasov. The theme was: the veil. The life that God has for us, a life of intimacy with Him can only be found behind the veil, the veil that He tore on the cross. The anointing was so obvious that it was hard to miss and not break the yokes.

- *A love and vision for the lost.
- *The Christmas drama and other skits we prepare.
- *The ministries in Lima and outside of Lima. For the leaders to rest in the Lord and not get weary.
- *The youth camp this month.
