

## TRIP TO KUNMING

Dear friends,

The trip to Kunming (main city in Yunnan Province, 26 hours far from Guangzhou by train), was such a great blessing for me. It is amazing how God takes care of us and He has the refreshment of pure waters when we need the most. He truly is a Great Shepherd and the Source of every blessing. The two Andras and me stayed about 10 days in Kunming. Now back in Guangzhou we have a fresh start and vision from God to pray, live by every word of God and minister the live given by our Savior Christ.

*“We are not products of our past.*

*We are not products of our culture.*

*We are not products of our family situation.*

*We are not products of any relationship.*

*We are not products of our circumstances...*

*God is in control.*

*God is on the Throne.*

*God is within us.*

*God is our final authority.*

*God is our Source of blessing.”*

*These are some quotes of P. Stevens from the booklet “What is your Source”*

With love and prayers of you,
